CONSENT FOR GROUND WATER STUDY

As owners of the real estate of approximately 18 acres of of land in St. Clair County, Illinois, located in the E½ of Section 26, T2N, R10W of the 3rd P.M., more particularly described as follows:

Lots 203 and 206 of the "Subdivision of Part of Commons of Cahokia or Survey No 759" and Lot 5 of Dashney's Subdivision of Lot 207 of the "Third Subdivision of Cahokia Commons."

we hereby authorize and consent to the entry by employees of the State of Illinois, upon showing of proper identification, upon the property for the purpose of boring test holes and installation of a number of monitoring wells in order to determine ground water characteristics below the property.

We further consent to entry upon the property by employees of the State of Illinois, at their convenience, to permit observation and sampling of the ground water in the monitoring wells and such related investigations as they may reasonably desire to make, and at the conclusion of their investigation, to their entry upon the property to close and seal the monitoring wells.

The subject real estate is now under lease for farming purposes to John W. Hamm, Jr. (1-618-538-5616) and Jack Wyatt (1-618-332-6674). Permission will have to be obtained from them prior to entering any portion of the property that is under cultivation by them and a settlement made with them for any crop damage that may result from your investigation.
